DIRECTOR NOMINATION FORM

Name of Nominee________________________

Company Name________________________

Business Address_______________________

City________________________ State____ Zip________

Telephone (Office)_________________ Cell_______ E-Mail____

Signature of Nominee_____________ Today’s Date________

I have read the Recommended Criteria below and wish to place my name in nomination for service on the Board of Directors.

_____ I am currently a director and wish to serve as an officer.

Director Recommended Criteria - Members of the Board of Directors are expected to represent the entire membership. Each Director is unique and contributes special talents. Therefore, Directors must express their viewpoints and share their opinions. Constructive criticism can be important to the Association’s growth and development. Directors should consider the needs and feelings of others, and face the issues and facts. A lot of importance is attached to their remarks made on, and off, the record. Directors should remember that discretion protects credibility and discourages rumors, gossip, and criticism. Directors must be familiar with antitrust laws, professional standards, and Association bylaws.

Additionally, Directors must be active members. Their attendance at Association functions facilitates a steady flow of communication with membership. Directors may also serve as liaisons between various committees or divisions of committees. Because of these added responsibilities, Board of Directors’ meetings can become lengthy.

Association bylaws state that absence from 25% of regular meetings (3) shall be construed as resignation. No excused absences.
